

## **Meaningful Choices & Meaningful Funerals Companion Guide**

Most of us are not prepared to plan and carry out a funeral ceremony for someone we love. And so much of the information available on this critically important subject fails to focus on what is most important: having a personalized, meaningful funeral that helps families and friends begin the healing process of mourning after the death of someone we love.

We want to help you and your family create a meaningful funeral experience that both honors the life of your loved one and starts you on the path to healing from your loss.

Our licensed funeral directors are intimately familiar with the funeral planning process, key decisions a grieving family must make, and necessary legal documentation that is required during this difficult time. Our funeral professionals can handle all of the details and help you create a unique service that fits your needs and values. This guide may help you understand the process.

Please, share this Companion Guide with friends and family.
